

Your Ultimate Dua' List

1. Use Allah's Beautiful Names.

Start your dua' by saying: 'O Allah or Yaa Allah', or use His other Beautiful Names when starting your dua'; choose a Name which relates to the content of your supplication. (Use the line provided) Eg: Yaa Haadi, guide me to Your Pleasure in times of anger. Or: Yaa Rahmaan, have mercy on me and my loved ones. Or: Yaa 'Aleem, increase our knowledge of Islam.

NOTE: When you say Yaa (insert a name of Allah) don't use 'Al', so not Yaa Al-Haadi, but only Yaa Haadi.

2. Send peace and blessings upon the Prophet.

Say: Allahumma salli wa sallim 'alaa Nabiyyinaa Muhammad – O Allah, prayers and peace be upon our Prophet Muhammad- at the start of making dua' and when you finish.

3. Mention your position.

Determine your position as a slave/worshipper at the start of your supplications. Eg say: O Allah, I am Your slave and You are my Lord. Or: O Allah, I submit myself to you; I am your slave.
